

Release Automation Tools

Our Release Automation Tools help automate the building, packaging and publishing of your projects. Built-in support for Git lets you trigger our tools from your repository, via GitLab CI/CD or Azure DevOps amongst others.

For a more detailed overview of what these tools do, see <https://rat.hampel-soft.com/>

Contents

The documentation of our Release Automation Tools is available only to our customers. Please reach out to office@hampel-soft.com if you're interested.
