

01 Support

GitLab

For any of our projects, the repository will be hosted on HSE's GitLab server at <https://code.hampel-soft.com>. You can browse existing or create new issues right in the corresponding project's [Issue Tracker](#).

Slack

If you want to lead a more immediate, synchronous discussion, feel free to join our Slack workspace at hse-open-source.slack.com!

Commercial

We offer commercial support for all of our open-source tools. We can help you with setting them up, teach your team how to use them or implement modifications for you.

Please contact us at office@hampel-soft.com if you're interested in commercial support.
