

00 Checklists

We use checklists to keep our work reliable and safe. Just like a pilot: Despite excellent training and a co-pilot by their side, they still rely on checklists to make sure no critical step is missed. In the same way, our checklists help us stay structured, reduce risks, and maintain consistent quality.

Public checklists:

- [cRIO Checklist](#)
- [Project Controlling](#)
- [Project Checklist](#)
- [Testing Feature Checklist](#)

Internal to HSE:

- [Internal Periodic Checks](#)
- [Internal WoW Checklists](#)
- [Internal Release via RAT](#)
- [Internal PM Checklist](#)
- [Internal Project Checklist](#)
