

01 Best Practices

Our website contains information on our commercial offerings:
<https://www.hampel-soft.com/services/>

“Best Practices” are methods or techniques that are accepted as superior to alternative ways, so we should expect anybody to adopt them. Surprisingly, we all dodge best practices – because they’re too complex, too much effort, or too (insert-other-excuse-here).

The following contents are a collection of small, pragmatical steps towards the goal of adopting better practices.

Contents

- [Automation](#)
- [Coding Conventions](#)
- [Debugging](#)
- [Documentation](#)
- [Issue Tracking](#)
- [Meetings](#)
- [Source Code Control](#)
- [Testing](#)
- [Way Of Working](#)
