

# Processes

*This section aims to help both our customers and our open-source contributors to understand how we work and which tools we use. The pages in this section summarise our most important software development processes (**our way of working**) and link to more detailed documentation where available.*

## Contents

- [01 Dokuwiki](#)
- [02 Version Control](#)
- [03 Issue Tracking](#)
- [04 Release Management](#)
- [05 Collaboration](#)
